- On successful completion of the program, trainees will be added to the relief list which will be distributed to all schools, training centres and School Finance Liaison Officers.

## **WORK EXPERIENCE COMPONENT**

It is a requirement of the Program, that applicants complete 70 hours work experience in schools. In order to assist with this, a list of host schools will be provided to trainees. We recommend you contact the Business Manager at your choice of host schools during your training to negotiate dates and times for the commencement of your work experience. It is important that you spend time at a mix of primary, secondary and specialist settings. There is no cost for the training days if accepted into the program, however there is an expectation that participants will be available for relief program for 6 – 12 months once completing the program.

How you accumulate the 70 hours is your decision. There may be times and days that are mutually acceptable to both you and the host school, but the choice is essentially yours and to be negotiated with each different school.

In order for you to gain as wide an experience as possible and consolidate your training experience, we expect:

- **Maximum time in any one school to be no more than 20 hours. (You may do more hours than 20, but only 20 will be counted towards your 70)**

Work experience will need to be completed by 7<sup>th</sup> June, 2019

## **WORKING WITH CHILDREN CHECK (WWC)**

A person cannot volunteer or be employed in a school without a WWC Check having been completed. Information on how to apply is available from <http://www.workingwithchildren.vic.gov.au/home/applications/>

If you currently hold a 'volunteer check' - that will be acceptable until such time as you are employed in a school. Successful applicants without a current WWC Check would be advised to obtain a Check under the 'employment category'. As these checks can take some time to process, we would suggest you complete the form and submit as soon as possible.

## **CRIMINAL RECORDS CHECK**

If you are successful in applying for the training, a Criminal Records Check will also be required (details will be provided on acceptance) before commencing work experience. The Department of Education & Training will **NOT** accept any Commonwealth or State police clearance of a generic nature e.g. Victorian Police Certificate. You will be required to pay for the cost of the criminal records check. At the current time the cost of the Criminal records check is \$23.00
